STOP MU FROM PROMOTING ABORTIONS: The University of Missouri Health System has granted hospital privileges to abortion doctor Colleen McNicholas. This allows McNicholas, who does not live in Columbia, to perform abortions at Columbia Planned Parenthood. MU is a public university that draws students from families across the state of Missouri. Our tax dollars should not be used to support abortion. Mizzou needs to get out of the abortion business! Contact MU Chancellor R. Bowen Loftin and the Board of Curators by visiting the website of the Missouri Catholic Conference at www.mocatholic.org to send a pre-composed message.

Are you ready for Christmas? Our students are already busy practicing for their Annual Christmas Program. This year they will perform "A Tree Lot Christmas" at the Dixie Theater on Sept. 17th. This musical is filled with vibrant songs that deliver the truth of God's Word and a script that follows a group of kids selling trees outside of a toy store to raise money for children in need. Come join the excitement and experience what it means to be a part of God's Family Tree and the importance of sharing His love with others.
